"GOOD TUNES MAKE A GOOD CONCERT —

...These came from EMB"

"These kids really practice like mad, all summer long. Why shouldn't they? They're playing music they like and they're getting a big hand from big crowds. We've hundreds of Band Boosters now who never heard our band before we started these summer concerts. Our playing is improving, too. We're headed for the state festival next spring. We expect to land in the first division.

"I picked tonight's music from one of EDUCATIONAL MUSIC BUREAU's Summer Band Bulletins and ordered the music by mail. They list the best of everything published for outdoor band concerts. Everything's graded and classified; makes it easy to build a program.

"Of course you can get those EMB Summer Band Bulletins. Send a postcard to EDUCATIONAL MUSIC BUREAU and tell them to put you on their Summer Band mailing list. They're in Chicago — 30 East Adams Street."

"To hear him talk, You'd think he discovered EMB. Why I've been getting my chorus music and operettas from them for years. I pick what suits my group from big, representative approval selections.

"Then, when you've selected the titles you want, send your quantity order to EDUCATIONAL MUSIC BUREAU. You get the music by return mail. Quick like!"
